IPA USA Conference- October 2024

With the success of the 2022 IPA USA Child's Right to Play, RIGHT NOW! Conference in San Antonio, Tx, IPA USA is searching for a location for its October 2024 Conference.

The San Antonio Conference was such a success due to the amazing folks, organizations, and volunteers in San Antonio.

If you have a community that is dedicated to play, organizations that have committed to the child's right to play, and early childhood programs whose mission is dedicated to promoting the child's right to play, please send Deb an email at ipausa2019user@gmail.com.

We hope to find the next location no later than July of 2023.
